**Bike Rodeo**– Kenneth will Chair this event on May 12<sup>th</sup> with a rainout date of May 19<sup>th</sup>. Set-up will be at 9:00 a.m. This will run from 10am-1pm. Sue is ready to help with bikes again this year. We will be checking with the Riverview Fire/Ambo and HNJ Youth Group to see if each group can help/attend the event. Chief Ihler will donate twenty (20) more helmets; size to be determined.

**Fishing Experience** - This event will be June 9<sup>th</sup>. Kenneth will bring donuts to the Missouri Conservation. KIDS ONLY fishing was stressed.

We will work on Flyers for upcoming events to have at each event to keep the participants up to date with our activities.

A resident was in attendance to talk about starting a Youth Community Garden. Although the members thought it sounded like a good idea, the concern was whether the kids would keep the garden sustainable the entire summer.

**THE NEXT MEETING WILL BE ON  
MONDAY May 21<sup>st</sup>, 2018 7:00 P.M. AT CITY HALL.**
