Summer Beautification Yard Signs

The group discussed how long to leave the summer beautification yard signs at the winners homes and businesses. It was decided that we would display the signs for one month. Jennie will ask Deni to add that to the letter that she sends out to the winners.

The group also talked about some possible incentives to get more residents involved in the summer beautification competition. One suggestion was to offer seeds at the Town Hall meeting closest to spring and include a note with them encouraging residents to join the summer beautification efforts.

Beautification Action Day Clean-up

Leo reported that the clean-up was a success. There were approximately 20 volunteers and we were able to pick up on all the main streets. The Board thanks the Mayor, the volunteers, Mark Dickerson and his crew for an excellent job. Lunch was served at the end of the cleanup. Next cleanup is scheduled for Saturday, September 29, 2018 at 9 a.m. Jennie believes that this may be the day of Riverview Garden's parade. She will confirm. If it is, we will reschedule our clean-up to Saturday, October 6, 2018.
