

## Image and Beautification Board Meeting

Tuesday, October 9, 2012

Meeting opened at 7:15pm.

### **Present**

<b>Bob Bost</b>	<b>Clarence Cherry</b>	<b>Shelley Davis</b>	<b>Margie Cook</b>	<b>Lyn Gordon</b>
<b>Rodney Weeden</b>	<b>Jeannette Bost</b>	<b>Jennie Stewart</b>		

The I&B Board continues to be appreciative of the dinner hosted in our honor for the “Way to Go Green” award and plans to send a thank you card to the Mayor and his staff.

It was noted that all the winners of the beautification award attended the Town Hall meeting to receive their certificates this year. The I&B Board also received a thank you card from Ward 1 winner Ms. Lee Crosby. Jennie made the suggestion that we should send letters to the winners and ask them to join our Garden Club. We need Board representation in Ward 3. Bob mentioned that a resident has been cleaning sections of Bellefontaine Road regularly, but when asked, he declined to join the committee.

It was brought up that some residents are still leaving branches and cuttings on the curb. Jennie suggested that another article may need to be placed in the Bellefontaine newsletter. Bob also mentioned that possibly the message could be posted on the electric sign. We will also continue to leave flyers.

Clarence reported that he cleaned and prepared the area around Bissell Hill for winter. He also reported that the trash and leaves in the area around Bill’s Market has finally been cleaned up after five years of complaining to the city.

It was noted that Diary Queen installed a new sign. It’s always good to see businesses improving to help the image of our city.

The second week in December is being used as the date for Christmas Light judging. An exact date will be decided on at our next meeting. Each Ward will pick four houses and we will pick two winners from each Ward. Bob will bring the list of previous winners to the next meeting.

The I&B Board will hold a Christmas Party at Jeannette and Bob’s. The date and a menu will be decided at the next meeting.
