Workshop Meeting of the Board of Aldermen at 6:30 pm. at City Hall. Generally, Board workshops are public meetings at which the Mayor and Board members can bring up matters which (a) they would like to have the Board consider in the future (thereby giving city staff an opportunity to research and develop relevant materials to assist the Board's consideration at a future regular meeting); or (b) as to which they would like additional information (again helping to refine the area city staff or other officials should address in further research) or (c) propose for further Board consideration. Generally, no votes are taken and no matters or issues are decided at workshop meetings. They are an environment for informal and wide-ranging discussion of topics of interest to one or more members in attendance.
