Due to the low attendance, we simply had a short discussion of topics related to the committee. Officer Willis reported there was no significant change in the number of crimes reported to the police department. Alderwoman Tatman asked about the Community Emergency Response Team Program, I had failed to follow up on getting information on the next classes, I must do that before or next meeting. Other points of discussion were to restart the Neighbor Hood Watch on a City wide basis, and to set up a program Meeting to have "Coffee with a Cop" or some sort of informal meetings.

Meeting was adjourned at 7:05 p.m.

Next Meeting is scheduled for Feb 27th, 2020
