**WHEREAS**, the Zoning Code Of Bellefontaine Neighbors provides that the Board of Alderpersons may, by a conditional use permit issued under the provisions of Section 29.94 et seq., authorize the use of property in any zoning district for “online auto sales facility”; and

**WHEREAS**, Rosemary Whitehead, Shannon James and Jared Sykes doing business as S&J Online Auto Sales, LLC (the “Applicant”) have requested that the property at 1000 St. Cyr Road be allowed to be used as an on-line auto sales business; and

**WHEREAS**, the application was referred to the City Planning & Zoning Commission, which studied the application and the recommendation of city staff and recommended approval of the application subject to certain conditions; and

**WHEREAS**, the Board of Alderpersons gave due notice and held a public hearing on the application at City Hall, on Thursday, March 18, 2021 at 7:30 P.M., when the Board heard and considered comments and suggestions by those present; and

**WHEREAS**, the Board of Alderpersons has determined, in accordance with the provisions of Section 29.95(2) of the Zoning Code that the granting of a conditional use permit will:

- a. Comply with all provisions of the applicable district regulations.
- b. The proposed conditional use at the specified location will contribute to and promote the welfare or convenience of the public.
- c. The proposed conditional use will not have a deleterious impact on the value of other property in the neighborhood in which it is to be located.
- d. The location and size of the conditional use, the nature and intensity of the operation involved in or conducted in connection with it, and the location of the site with respect to streets giving access to it are such that the conditional use will not dominate the immediate neighborhood so as to prevent development and use of neighboring property in accordance with the applicable zoning district regulations. In determining whether the conditional use will so dominate the immediate neighborhood, consideration shall be given to:
  1. The location, nature and height of buildings, structures, walls, lighting and fences on the site; and
  2. The nature and extent of proposed landscaping and screening on the site.

- e. Off-street parking and loading areas are provided in accordance with the standards set forth in these regulations.
- f. Adequate utility, drainage, and other such necessary facilities are provided.
- g. The proposed conditional use is consistent with good planning practice; can be operated in a manner that is not detrimental to permitted developments and uses in the district; can be developed and operated in a manner that is visually compatible with permitted uses in the surrounding area; and is deemed essential or desirable to preserve and promote the public health, safety, and general welfare of the City of Bellefontaine Neighbors.

5. No automotive repair, service or preparation shall be performed at the location.
6. Signage required by other authorities having jurisdiction (State of Missouri) shall be minimal in size. Emphasis will remain on the businesses already operating at the site.
