APPROVAL OF AGENDA

Mayor called for a motion to approve the agenda as is. Alderman James Thomas, Sr. made a motion to approve agenda as is. Second made by Alderman Lynette VonSeggern.

MEETING OPEN TO THE PUBLIC (With 3-minute time limit)

- Delores Evans 93XX Melanie Drive
 - Several letters sent about their streets and one letter sent on March 9th
 - Rain makes large puddles at the end of her driveway

Mayor stated he received that letter (residents stated then they are being ignored) Melanie is on the City's radar, but so are a lot of other streets. Working on getting streets done and repaired. It just takes time to do it. But Melanie is a priority.

Alderman Dinah Tatman intervened on Public Speaking to ask about vote on agenda of 2 yeas and 4 nays we are operating out of order. May not agree but we don't have to, but we have to do what is right: so, I refer to legal counsel.

Attorney Dorothy White-Coleman stated if it was not clear from the voice vote then a roll call vote should be taken.

The mayor stated, the mayor sets the agenda, but you cannot come to a board meeting, change it and re-prioritize what you talked about without talking to me.

Alderman Tatman stated they are the Legislative Board (Mayor agreed with this statement). We can amend the agenda, which is part of our legislative duty and responsibility. Amending the agenda was already talked about in the Pre-Meeting.

Alderman Alicia Smith stated she thought B.O.A stood for Board of Alderman so if you set the agenda and you don't like what is on the agenda are we not supposed to discuss it. Or not to vote on it just even put it on the agenda. What would be the purpose of having a B.O.A. meeting if everything first must be approved by you. There will be alot we will not agree on (Mayor agreed on that).

Alderman James Thomas, Sr. stated agenda can be amended but those items cannot be votes on or discussed until next meeting (from my understanding)

Alderman Dinah Tatman stated we are following proper procedures.

Alderman Alease Dailes asked the agenda can be done properly by a roll call.

Mayor called for roll call vote on amending the agenda:

- Alderman Dinah Tatman-Yes
- Alderman Theresa Hester-Yes
- Alderman Lynette VonSeggern-Yes
- Alderman James Thomas, Sr.-No
- Alderman Alease Dailes-Yes
- Alderman Alicia Smith-Yes

5 yays/1 No. Motion passed.

Mayor called for a motion on the amended agenda: Alderman Alease Dailes would like to amend the agenda to table Resolution (item # A) and add to the agenda for the board to prioritize:

- Website
- Locks for the buildings in the City of Bellefontaine Neighbors
- Electronic sign in for the employees
- Security cameras for the system (all the buildings on our campuses)
- Payment to our citizens

To come out of ARPA Funds and then we can come back to the Resolution. Mayor called for a second Alderman Dinah Tatman second.

Discussion:

Alderman James Thomas, Sr. these priorities have already been set forth through the budget. We approved funds for the electronic system, we did not approve funds for the locks. I am sure part of those funds can be used for that also. I don't agree with tabling the Resolution for the employees because those essential employees have worked through the pandemic and to make them wait another 30 days, another 60 days, or another 6 months. I do not agree with that.

Alderman Dinah Tatman stated she agree to some point with her counterpart. But I think we have done a very good job in taking care of our employees. We have and we are not saying we don't want to do that. We have to set priorities right now. With the climate we are in because we have to be visual anybody can come through that door, or anything can happen in this room or any part of this building. We are not secure. If just oppose putting off essential pay for the employees and the safety right now because of the climate of our citizens, I would vote safety first. I am not saying to do it, I am saying safety first. We are not secure. We have to get bids because we know it will be \$10,000.00 or more. We don't know what that cost is. Some of these items are and most of them are not, security cameras are not. Security cameras are not in there for the whole campus. I agree with you on a certain point.

Alderman James Thomas, Sr. says the whole point is, we can still take care of the employees and prioritize the rest that you are asking for verses putting the employees on the back burner.

Alderman Dinah Tatman states we have taken good care of our employees.

Alderman James Thomas, Sr. states he doesn't think we have taken care of our employees to the best of our ability.

Alderman Dinah Tatman states that is your statement.

Alderman James Thomas, Sr. said right.

Alderman Alicia Smith is somewhat neutral. She did not read the ordinance through and now that she has read it, she has a thousand and one questions, literally a thousand and one questions. She asked who she would ask the questions to would it be you City Attorney.

City Attorney Dorothy White-Coleman stated sure if there is something related to the mechanics of the resolution absolutely.

Alderman Lynette VonSeggern in regard to the employees getting hazard pay can we instead of putting them on the back burner so to speak can we add them when we do the locks, website the citizens, camera can we put them up there by then we should have a number from Lori who was an essential worker at the time. Once we open the ARPA Funds, we can do it all at one time.

Alderman Alease Dailes and Alderman Dinah Tatman both stated yes that is why we want to prioritize.

Alderman Alicia Smith states she liked Alderman Lynette VonSeggern idea; but the main issue she has with the Resolution is section 3-states (prolong absences, however, during the timeframe above may be deducted from the Premium Pay amount for any pertinent employee, calculated on a per day rate How are they essential if they are absent.) Lost and confused on that.

Attorney Dorothy White-Coleman stated the point of that language was to give the city the discretion to deduct pay for any individual based on the records where it indicated that that person took off a significant amount of time during the period in question. If they were not working as other employees were then it is not fair to give them the same amount of money as those employees who came in on a regular basis. That gives the city discretion.

Alderman Alicia Smith said she just want to go on public record asking the question-section 6 states the Mayor/City Administrator which we don't have let's say City Clerk is authorized to implement this resolution and develop and any supplemental policy or procedure needed to govern said resolution. Then why are we voting on this if they can do it?

Alderman James Thomas, Sr. states they have to have permission to do it

Alderman Alicia Smith states that are not what this says.

Attorney Dorothy White-Coleman states it gives the mayor, who is the City Administrator by the way because you don't have one. The ordinance provides that when you don't have a City Administrator the Mayor serves in that capacity. So, it gives the City Administrator, the mayor, the authority to put in place any additional policies or procedures that may be necessary. However, based on what's here, that may not be the case.

Alderman Alicia Smith states the only reason she brought that up is most of our ordinances says voted on by (I don't know I am just adlibbing) BOA and approved by the mayor once it is approved signed by the mayor, something like that.

Attorney Dorothy White-Coleman and this says that section 7 says that, and this is a resolution, it's not an ordinance. In discussing this matter with Rick, the appropriate way to bring this forth was through a resolution because the money is already in the budget, now you're going to allocate it so that's why an ordinance wasn't prepared.

Alderman Alease Dailes would like to ask the board after prioritizing, if we have the opportunity to really go into detail into the resolution and if there are any changes, we deem necessary to make changes and resubmit it. Not saying we don't want to do it, we do want to do it, but we may want to change the language with more specific details.

Mayor asked if there was any further discussion. If not, roll call.

- Alderman Dinah Tatman-Yes
- Alderman Theresa Hester-Yes
- Alderman Lynette VonSeggern-Yes
- Alderman James Thomas, Sr.-No
- Alderman Alease Dailes-Yes
- Alderman Alicia Smith-Yes

5 yays/1 No. Motion carries.

Alderman Alicia Smith Knights of Columbus Hall and the Holy Name of Jesus Catholic Church and Hall is there a such thing as a temporary liquor license. So, they have a liquor license for the whole entire year.

Jeff Howe states absolutely to use whenever they want to.

DISCUSSION:

Alderman Alease Dailes asked if the plans were returned, or did you find out the plans that were submitted by North County Fire Protection a year ago were they signed by you and they been returned to Chief Goldstein for the building of the fire.....

Clayton Klein stated no they haven't been returned because the contractor has to come in pay any permit fees the joists, they are using are fine Judy called Chief Goldstein today that we need the breakout of the different parts of the building. Judy stated Chief Goldstein will give us those numbers.

Alderman Alease Dailes asked if it isn't a good partnership to waive fees for our Fire District. Clayton Klein stated other cities charge for the fire district to build building. Could not think of any cities off hand.

Alderman Dinah Tatman asked if he could re-engage Ameren to find out the cost how many lights and if you could reengage the investigation go back to the process where we stopped off. Clayton Klein stated he will get back with them.

- We recommend staff use upper parking lot to keep the front of Duenke Drive clear
- Hours of operation 7am-6pm Monday-Fri, 8am-4pm on Saturdays and Sunday facility will be closed. No plans for offering overnight stays.
- Breakfast and Lunch will be provided Monday-Friday and Lunch on Saturdays.
- Ms Garner has 10 plus years in healthcare
- As Clayton referred to, we did request a site development plan (367 and Jennings Station Road) the owner should provide the majority of that information needed in it, including parking, ABS accessibility, traffic flow, location of dumpsters, exterior parking lot lighting, fencing including site barriers, landscaping and interior partitions
- The Shopping Center is about to change ownership, at our September meeting we found out A-Ritz Circle a non-profit has plans to purchase and redevelop the property. We found out Monday that A-Ritz had obtained a grant and that this purchase will take place in the near future (possibly January)
- One of the conditions of the sale is a pause on leasing space, this will hold up Ms. Garners plans but also give her more time to study in the meantime.

Discussion:

Alderman Dinah Tatman was glad they asked for site plans did some calculations and from what she heard, (Adult Day Care Center) is not big enough.

Pat Barrett stated she wants to expand to the space next door. State of Missouri has to do their inspection she may not be able to have 45 people

Alderman Dinah Tatman states the space is not big enough and to clarify the site plans, have to be submitted to planning and zoning before any permits can be issued from the owner.

Clayton Klein stated yes.

Alderman Alease Dailes stated received an email from the Red Circle and they are moving into their second phase, so she congratulated Pat and Clayton.

CHIEF OF POLICE REPORT -JEREMY IHLER

No Report

TREASURER'S REPORT- RICK ROGNAN

- Congratulated on the Use Tax being passed.
- This will bring additional revenue to the city.
- Doesn't kick in until January 1.
- Once we get certified results once we get that we can get it over
- Not seeing any significant revenue until April.
- This fiscal year we will collect something but nothing significant until around April.
- Two other cities did not get this and one of them was Maryland Heights.

- Financial Reports: almost done with August so we are hopefully going to have September and October we can have those four months to the board on December 1.
- Keep in mind you will have four separate monthly reports, but we will only talk about the most recent.
- By the end of September, September 15th on or about we should be caught up through November.
- On track but unfortunately Lori has a lot to do, and she is one person, and she has a lot to do.
- When we get the deposits the way they are we have to untangle them to find out what category they are in and that is becoming a big issue.
- RFP for banking.
- Segregation of internal control-very big here.
- If each department that collects checks has their own scanner and their own bank account, we know what the funds relate to.
- Any cash collected should not be taken to the bank by an employee, it has to be a courier.
- 4-5 Scanners will make accounting side so much easier and so clean.
- Deposits will be identifiable.
- Last year's audit is still waiting on the auditor and until they do anything we cannot move forward with the most recent fiscal year.
- In late November we are probably not going to have this done by December 31st so we are at the mercy of the auditor. They have to complete one, before they can move on to the other.
- Post on the website here is the information it is ready to go we are just waiting on Sikich the Auditor to get started.
- Additional internal control. We will come to the board and ask for your approval.
- When we are issuing the checks should be picked up here at the board, Semmie should be sending them out and no other person should be touching them.
- All check registers should have the numbers on them and if there is a void need to put that in there.
- One person needs to sign off stating they have accounted for all the checks on the check register.
- At the next meeting when you get the check register the last check should be notated so we are not missing any checks to know no checks were issued in between board meetings.
- All new vendors need to be highlighted.
- Responsible amount of interest here.

CITY ATTORNEY'S REPORT -DOROTHY WHITE COLEMAN

- **No Report**

Alderman Alease Dailes stated back in April. I think we talked about this in January 2021 it was the Collector of Winchester sued on behalf of Charter Communication and the City of Bellefontaine Neighbors was awarded \$198,400.95. Asked Attorney White Coleman if she knows if this has come through yet.

Attorney Dorothy White-Coleman stated no, I don't.

Alderman Alease Dailes asked if she was familiar with it.

Attorney Dorothy White-Coleman states she remembers reading about that but no I had no involvement with it.

Alderman Alease Dailes asked if she knows how we can find out about it.

Attorney Dorothy White-Coleman states she can certainly check into it.

NEW BUSINESS:

A RESOLUTION OF THE CITY OF BELLEFONTAINE NEIGHBORS, MISSOURI TO AUTHORIZE ONE-TIME PREMIUM PAY FOR ESSENTIAL EMPLOYEES OF THE CITY; TO DEFINE WHO SHALL BE CONSIDERED ELIGIBLE RECIPIENTS OF ONE-TIME PREMIUM PAY; AND SETTING FORTH THE DOLLAR AMOUNT THAT SHALL BE APPORTIONED TO ELIGIBLE EMPLOYEES OF THE CITY, USING FUNDS RECEIVED UNDER THE AMERICAN RESCUE PLAN ACT OF 2021. (INTRODUCED BY ALDERMAN JAMES THOMAS, SR.)-TABLED.

DISCUSSION: LAPTOPS

Alderman Alease Dailes states we have the bids, and we have to vote and decide which bid we want to go with for the laptops as well as the accessories and the money will come out of the ARPA Funds. Eight instead of nine, Mayor has one already. Alderman Dailes states she chose Dell, and everyone needs to decide which bid we want to accept and the accessories to come out of the ARPA Funds.

Mayor stated with Dell you could only use their printers; Alderman Alicia Smith stated the mayor is correct

Alderman Alicia Smith stated she submitted another proposal does anyone know if Angie followed up with the sales team-City Clerk Semmie Ruffin-Hall stated she would check.

Alderman Lynette VonSeggern asked if we could wait on laptops and not spend any money until we do everything else.

Alderman James Thomas stated what Angie provided to us with Dell is the best package.

Alderman Theresa Hester states she had no problems with her Dell

DISCUSSION: FOR MONITOR(S), TV SCREENS FOR THE COURTROOM

Alderman Alicia Smith asked if logging in for the public on zoom is that still an option for the city. -Mayor stated he would like to see that.

DISCUSSION: CONSIDERATION FOR A BANKING RFP

Alderman James Thomas made motion for consideration for Rick Rognan to send out RFPs to different banking institutions in the St. Louis Metropolitan area or beyond. 2nd was made by Alderman Alicia Smith.

Mayor called for any further discussions, none. Mayor called for all in favor-6 Ayes/ 0 Nays- motion passed.

PURCHASING TWO 2023 F-150'S MAINTENANCE VEHICLES-JEFF ROSS (DIRECTOR OF PUBLIC WORKS)

- I am here representing Jimmy Kirincich (Director of Parks & Recreation Center)
- Previously special meeting was held for ARPA Funds to get trucks
- He was unable to get it on state bid
- Now he has to go out with an RFP for bids, which you should have three bids in your packets
- First Bid is lowest price-\$32, 446.00-Broadway Ford
- Total of two trucks- \$64,892 which you already approved at the special meeting
- Would like the board to approve purchasing the trucks t

Alderman Dinah Tatman entered a motion to purchase two trucks for the Recreation Center in the amount of \$64,892.00 from Broadway Ford, 2nd was made by Alderman Alease Dailes.

Mayor called for any further discussion-Alderman Alicia Smith asked what trucks would be used for.

Alderman Lynette VonSeggern asked if it would be possible to buy a new Van or bus for the recreation center.

Mayor stated would like to buy one new one instead of two old ones.

Jeff suggested buying a 15-passenger van with handicap accessibility and much more cost effective on gas.

Attorney Dorothy White Coleman asked if bids were taken for this or was this a sole source. Attorney White Coleman asked Mayor if we got seals, bids for this-City Clerk stated I did not get seal bids on this. Mayor stated when buying for a Dealer, they would not come in as sealed bids.

Attorney White-Coleman stated she understands what you are saying Mayor, I am just stating what your ordinance requires.

Alderman Dinah Tatman asked if there is any way we can, (it is on the record. So, we have to make sure), we have to make sure that we have it listed that it came in as sealed bids. That is what I think the Attorney was trying to get to, correct. Attorney White Coleman responded yep, that is correct.

Alderman Tatman asked Jeff if he knew what the time frame was, Jeff stated from what Jimmy told him before the trucks are available and they would be delivered to the parks department no later than March 31, 2023. Alderman Tatman stated we have time; we want the trucks just have Jimmy do what he has to do.

Attorney White-Coleman stated just to put out specs indicating what you are looking for and then get your bids from there.

Mayor stated we will do that and then we will proceed.

Alderman Alease Dailes stated for the record in priority:

- Website.
- Locks for the facility.
- Electronic sign in for the employees.
- Security Cameras for everything and the monitors
- Money for the residence
- Hazard Pay

Alderman Dinah Tatman states she will work on the part for the citizens.

Alderman Alease Dailes will check with other cities on the website and the locks.

Jimmy will do the boards and the cameras.

Alderman Tatman stated Lynette can do the sign in, and Alderman Lynette VonSeggern agreed on what she would do.

Mayor stated from this day forward we will refer to the street department as public works

MAYOR'S REPORT

- New Revenue
- Talking about developing land. Was on a call last week with several developers
- Invited Mayor on the call to say something about Bellefontaine Neighbors.
- Was invited to headquarters of a worldwide developer company yesterday (11/16/22)
- Discussed developing land at 367
- They suggested we start with something not so expensive but beautiful and attractive like some entertainment and a couple of eateries on that land to draw attention to it.
- The conversation went really really well, and Mayor asked them for some rendering of what they are talking about and will set it up where everybody can see.
- The more things that are happening in this city and county the more eyes are looking at that property up there.
- Ten minutes from the zoo, 15 minutes from downtown 15-20 minutes from airport, prime sitting right in the middle.
- Got to make things happen the zoo could build their own hotel for guests to come in and also eyes have been looking at St. Charles and S.W. County, we got to attract attention to this area and to show what this area can offer.
- North County is rich for development and new homes
- Thanked the resident (Anthony Green) that stayed for passing Prop T.
- We cannot leave the city the way we found it.

ALDERMAN'S REPORT

- Alderman Dinah Tatman
 - Thanked volunteers and Alderman Dailes for passing out the Use Tax flyers as people were going in.
- Alderman Theresa Hester
 - I have been sick for over a week just happy to be here and healthy wasn't the flu or Covid, I think a respiratory virus.
 - I'll save what I wanted to say for a week for the residents what we like to see our police department look like and what we expect.

-Would like to ask the board for some ideas in terms of bridging the disconnect from the resident and us to and police department. Because I don't know half the police department and I would like to propose the chief bring in maybe two or three at a time to say who they are and how long they have been on the force. I understand we can't have them all come in at the same time.

- Alderman Lynette VonSeggern
 - I want to thank the residents that are still here for coming out.
 - Thanked Terri Case for handing out the use tax flyers because she was at work.
 - Thanked everyone for keeping her and her family in our prayers, she appreciates that

- Alderman James Thomas
 - Thanked the residents publically for passing the Use Tax
 - He stated he was passing out flyers too.
 - As a board we need to constructively come together
 - We need to leave the employees here at city hall to their work and not disturb them in their daily duties and not be a dictator over their job because we hired them as professionals and when they don't perform that's when we can say something but to come daily and tell them how to perform I think hinders their progress on what they are trying to do to further the city.
 - Congratulated the Mayor on his meeting with the developers and to continue that to push that forward because I know with that the city will continue to grow.

- Alderman Alease Dailes
 - for the record and the minutes that the citizens will read we would like to thank all the citizens that supported the User Tax and hopefully if in an event we have something new to come on the ballot that we can convince them to support it.
 - To the board and any person here we need lots of toys for Coco Santa at the recreation center on December 17.
 - We take toys for all ages
 - Last year we asked if you wanted to buy Gift cards for the teenagers
 - Gift card from a restaurant (ask a young person)
 - Today I went to the East/West Gateway event for the council of governments (all over the state of Missouri.
 - North County shout out/congratulations to Mayor McGhee of Vinita Park and Brian Williams of Beverly Hill. They won the Leadership in Planning Design and Innovation Award.
 - As stated, before I got an email from one of the executives at Red Circle and they are moving to their second phase for the building up 367 and Jennings Station Road so hopefully we will have a new healthy market for our citizens.

-Like to thank the board for putting everything in priority. I think we have a really good team. I really do.

- Alderman Alicia Smith
 - Rick, we didn't forget about you, Alderwoman Dailes mentioned earlier you had a shot out at an event. Don't know what it was for, but congratulations.
 - I would like to thank the citizens along with the rest of the board for going out to vote for the User Tax.
 - Prayers for Alderwoman Warnusz.
 - RSP and the Flu is going around in St. Louis you guys might want to consider in masking up again.
 - Please come out to the Coco Santa event in December, Alease failed, my counterpart failed to mention we had the Grinch that showed up.
 - Anyone in Ward 4 having any issues, problems, or concerns; you know how to reach myself and Alderwoman Dailes.
 - Thank you for those that stayed we really truly appreciate you.
 - One other thing, thank you Mayor for compromising earlier.

MEETING OPEN TO THE PUBLIC (With 3-minute time limit)

- Terri Case-10XX Addison
 - Bids getting for laptops, are you including cameras?
 - Did you talk to your IT people that handle all your support to verify that everything will work?
- Anthony Green-92XX Waldorf
 - Retirement of Judy Mantych are we getting policy and procedures written down
 - Progress being made on ruler foods.
 - Decommissioned vehicles and what is happening to them.
 - Employees need to exercise responsibility when driving around.
- Pat Barrett-7XX Kelvin
 - We got 3 bids for 2 F150'S
 - We have competitive bids not Seal Bids
 - My understanding is we need seal bids is that right.
 - Can the seal bid option be waived?

Mayor asked if the ordinance called for seal bids. Attorney White-Coleman states your procurement procedures specify that anything over \$10,000.00 require seal bids unless you are talking about a soul source or a product that is unique and can only be purchased from a few sources

ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 3 OF THE CODE OF ORDINANCES OF THE CITY OF BELLEFONTAINE NEIGHBORS, MISSOURI RELATING TO A POINT SYSTEM EVALUATION IN SUSPENDING OR REVOKING LIQUOR LICENSES.

WHEREAS, Chapter 3 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri (the “City”) sets forth provisions relating to alcoholic beverages; and

WHEREAS, the Board of Alderpersons desire and find it in the best interest of the City and its residents to amend Article II of Chapter 3, Alcoholic Beverages with respect to suspending or revoking a business’ liquor license.

NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF ALDERPERSONS OF THE CITY OF BELLEFONTAINE NEIGHBORS, MISSOURI, AS FOLLOWS:

Section One.

Article II of Chapter 3, Alcoholic Beverages of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri is hereby amended by enacting a new Section 3-49 thereof, to read as follows:

Sec. 3 - 49. Point System Evaluation in Suspending or Revoking Liquor Licenses.

A. Purpose. The intent of the point system is to provide the Board of Alderpersons with a non-arbitrary means to evaluate incidents occurring on premises for which a license to sell intoxicating liquor has been issued and to guide the Board of Alderpersons in suspending or revoking liquor licenses.

B. License violations which occur due to the conduct of an employee or agent of a licensee shall be imputed to the licensee. Any points assessed for a license violation by an employee or agent of a licensee shall be assessed against the licensee's liquor license. Points may only be assessed against a license when the Board of Alderpersons determines by a preponderance of the evidence that a licensee, or an employee or agent of a licensee, committed a license violation. Points may be assessed against a license even if the individual who performed the action or conduct that constituted the license violation was not convicted of committing a crime.

1. Violations. For the purposes of this Section 3-49, the term “license violation” shall include the following violations which may result in the assessment of points against a liquor license if they occur on premises:

a. Failure of a licensee, its officers, managers, employees and agents to undergo training as required under Subsection (B)(4)(b)(3) of this Section;

b. Liquor violations: any action or conduct which violates any provision of law with respect to the manufacture, sale, distribution, solicitation, or use of alcoholic beverages, including violations of Chapter 311, RSMo., and Chapter 3 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

c. Health and sanitation violations: any action or conduct which violates any provision of Chapter 3 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended; Chapter 196, RSMo.; 19 CSR 20-1.010 et seq., or the Missouri Food Code, as amended.

d. Homicide: any “homicide offense” under Chapter 565, RSMo., as amended.

e. Weapons violations: any action or conduct which violates any provision of Article VII, Chapter 19 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri or Chapter 571, RSMo., as amended.

f. Controlled substance violations: any action or conduct which violates any provision of Section 19-61 through Section 19-66, Article IV, Chapter 19 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, or Chapter 195, RSMo., as amended.

g. Prostitution: any action or conduct which violates any provision of Chapter 567, RSMo., as amended.

h. Gambling: any action or conduct which violates any provision of Chapter 572, RSMo., as amended.

i. Pornography: any action or conduct which violates any provision of Chapter 573, RSMo., as amended.

j. Assault: an action or conduct which constitutes an “assault offense” under Chapter 565, RSMo., or which violates Section 19-106, Article VI, Chapter 19 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

k. Sexual offenses: any action or conduct which violates any provision of Chapter 566, RSMo., and Section 19-20 through Section 19-26, Article II, Chapter 19 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

l. Property maintenance code: any property maintenance code violations of Section 108, Section 301.1 through Section 302.7, Section 305.1 through Section 308.2, Chapter 5, Chapter 6, or Chapter 7 of the Property Maintenance Code of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

m. Violation of Chapters 5, 8, 12, and 13; and Article II of Chapter 10 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

n. Failure to provide monthly report as required by Section 3-39 of Chapter 3 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

o. Failure to comply with the parking of motor vehicles in certain districts of the City as required by Section 17-170 of Chapter 17 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

p. Any other violation of law or the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended, for which the assessment of points against a liquor license is appropriate.

2. Points. The number of points assessed for the violations described herein shall be as follows:

a. Violation under Section 3-49(B)(1)(a) of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri: 1.0.

b. Violation under Section 3-49(B)(1)(b) of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri: 2.5.

k. Violation under Section 3-49(B)(1)(p) of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri: 1.5.

3. Classifications.

- a. Minor: 1.0 to 3.0 points.
- b. Significant: 3.5 to 6.0 points.
- c. Major: 6.5 and above.

4. Procedures.

a. Notification of the point system as outlined herein, and a copy of this Section 3-49, will be given to all City liquor licensees, in writing, by the City Collector upon the issuance of a license and at the time of renewal of a license.

b. Upon receipt of an incident report from the City Police Department and/or other Law Enforcement Agency of the State, the Board of Alderpersons must follow the procedures set forth in this Subsection (B)(4)(b).

(1) The Board of Alderpersons will review the incident report and determine whether there is probable cause to believe that a licensee, or an employee or agent of a licensee, committed a license violation.

(2) If the Board of Alderpersons determine that there is not probable cause to believe that a licensee, or an employee or agent of a licensee, committed a license violation, the Board of Alderpersons will notify the licensee that the Board of Alderpersons will take no further action with respect to that incident.

(3) Notwithstanding any other provision of this Chapter to the contrary, if the Board of Alderpersons determine that there is probable cause to believe that the conduct of a licensee, or an employee or agent of a licensee, resulted in a liquor violation under Section 3-49 (B)(1) of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended, the Board of Alderpersons may order the licensee to undergo specialized liquor law enforcement training offered by the City of Bellefontaine Neighbors Police Department or another qualified Law Enforcement Agency, in lieu of assessing points against a liquor license. All officers, managers, employees, and agents of the licensee at the time of the Board of Alderpersons' determination shall undergo such training.

(4) If the Board of Alderpersons determines by a preponderance of the evidence that a licensee, or an employee or agent of a licensee, committed a license violation, the Board of Alderpersons will assess points against the license(s) of the licensee in accordance with this Section 3-49. The Board of Alderpersons will mail a copy of the incident report to the liquor licensee along with a notification of the points assessed against the applicable liquor license(s), and the total of outstanding points assessed against such license(s).

(5) Any written appeal of the assessment of points against a liquor license must be filed with the Board of Alderpersons by the licensee within ten (10) days of the licensee's receipt of notification of the assessment of points from the Board of Alderpersons. The appeal will be heard by the Board of Alderpersons, at a hearing, and the Board of Alderpersons shall make written findings of fact and conclusions of law within ten (10) working days of the hearing. Such findings shall be based upon competent and substantial evidence found in the record as a whole. A copy of the Board of Alderpersons' order, its findings of fact and conclusions of law shall be delivered to the City Clerk and to the affected person.

c. When points assigned to a liquor license reach the significant category, the Board of Alderpersons may place the licensee on probationary status or may suspend and/or revoke the license for the establishment. If the Board of Alderpersons elect to suspend and/or revoke said liquor license, it shall proceed with notice and a hearing pursuant to Section 3-33 of Chapter 3 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

d. When points assigned to a liquor license reach the major category, the Board of Alderpersons may place the licensee on a probationary status, or it may suspend or revoke the liquor license for that establishment. If the Board of Alderpersons elect to recommend suspension or revocation of the license, it shall proceed with notice and a hearing pursuant to Section 3-33 of Chapter 3 of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri, as amended.

Section Two.

Article II of Chapter 3, Alcoholic Beverages of the Code of Ordinances of the City of Bellefontaine Neighbors, Missouri is hereby amended by enacting a new Section after Section 3-49 thereof, to read as follows:

Sec. 3-50 through Sec. 3-60. (Reserved)

Section Three.

It is hereby declared to be the intention of the Board of Alderpersons that the sections, subsections, paragraphs, sentences, clauses, phrases and words of this ordinance shall be severable, and if any section, subsection, paragraph, sentence, clause, phrase or words of this ordinance shall, for any reason, be held unconstitutional or otherwise invalid, such decision shall not affect the validity of the remaining portions of this ordinance. The City of Bellefontaine Neighbors, Missouri hereby declares that it would have passed this ordinance, and each section, subsection, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional.
