The activities for the night will include games, movie and trick or treating. A cheaper option for the popcorn would be to purchase the popcorn from CR Franks. This popcorn is already popped. Si will update last year's flyer. Parents all children must have a parent or guardian with them.

I ♥ CRAFT NIGHT: February 13th, 6:30pm – 8:30pm. We voted to serve 3rd – 8th grade for this event. In lieu of a fee for this event, we will ask each child to bring canned goods. The youth will participate in various games and crafts. Melanie will research a few crafts and gams for this event. We will provide snacks and juice. Si will make a flyer for this event and have it available for the Family Halloween Fun Night.
