- There needs to be more participation at the neighborhood watch meeting. The meeting is held the first Wednesday at 6:30 pm at the city hall.
- The committee discussed the need for additional yield/ or stop signs off Ashbrook and other adjoining streets for safety to reduce accidents. A new stop sign has been added at the intersection of Nectar and Cobourg Lands.
- Lt. Williss stated, there are some scheduled protests scheduled for the weekend of August 8th-9th in the remembrance of Michael Brown. Although there protests are expected to be peaceful, the BN police department has a plan in place in the event the protest become violent.
